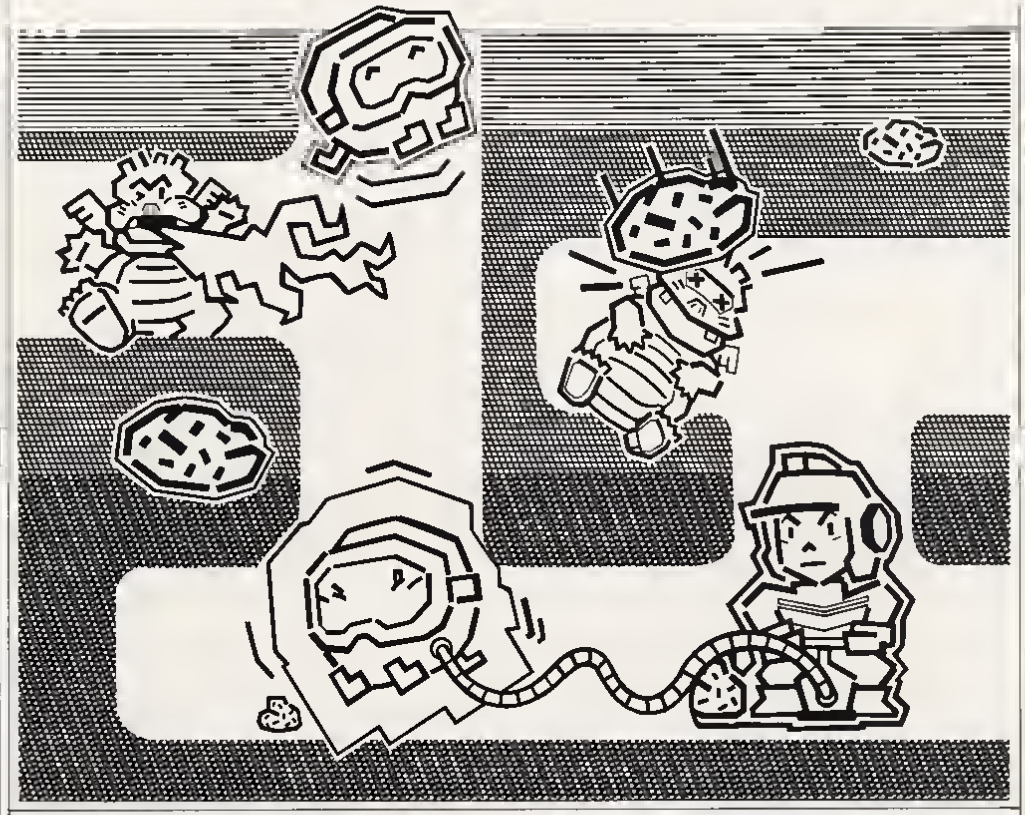
Play New ATARI® Dig-Dug™



Dig your way to incredible new excitement. Create your own underground mazes by controlling "Dig Dug", a dauntless miner who feverishly digs tunnels to go for giant veggies worth big points.

Watch out for the dangerous "POOKAS" or the fire-breathing "FYGAR". Pump them up or drop a rock on them to protect yourself.

Different difficulty levels, changing screens and great sounds make Dig Dug a fantastic fun-filled new strategy challenge.

Start digging today.
